Dear Dr. Moore:

Enclosed for your information is the final document entitled 'Biological Sampling Plan, 2001 Phase III Remedial Investigation, Northeast Cape, St. Lawrence Island, Alaska' dated August 2001. This document outlines the procedures used for sampling of fish and edible plants as part of the remedial investigation and risk assessment activities at the Northeast Cape Formerly Used Defense Site (FUDS).

The document was developed with input from the community and other stakeholders. A summary of responses to the comments provided is also enclosed.

If you have any questions, please call Ms. Lisa Geist at (907) 753-5742, or me at (907) 753-5606. This letter has also been furnished to the Distribution listed below.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Jackson", written over a horizontal line.
