

In-Active Installation Section

APRIL 14 1999

Mr. Jeff Brownlee
Alaska Department of Environmental
Conservation
555 Cordova Street
Anchorage, Alaska 99501

Dear Mr. Brownlee:

The Alaska District is submitting for your review and comment the report entitled "Pre-Final Phase II Remedial Investigation / Feasibility Study, Northeast Cape, St. Lawrence Island, Alaska", dated March 1999. This report describes results of investigations and field activities performed at Formerly Used Defense Sites (FUDS) in the area. Also included here is the document "Final Work Plan, 1998-1999 Phase II Remedial Investigation, Northeast Cape, St. Lawrence Island, Alaska", dated August 24, 1998. Biological sampling activities in the drainage basin at Northeast Cape are planned for 1999 and will be guided by this workplan and any amendments.

Please provide written comments on the pre-final document no later than May 12, 1999. Comments may also be provided on the biological sampling activities described in the enclosed work plan. Comments may be sent by facsimile to (907) 753-5646, but should also be mailed for the official file. A review conference is tentatively scheduled for 9:00 AM on May 17, 1999 in Room 202 at the Alaska District, Building 21-700, on Elmendorf AFB.

If you have any questions concerning the enclosed report or any other Northeast Cape RI/FS issues, please feel free to contact me at (907) 753-5559.

Sincerely,

Suzanne Beauchamp
Project Manager
